Car Park & Parking

Unfortunately people are still driving into the car park through the exit gate when it's open at peak times. This is very dangerous. Therefore, next week we are having traffic control flow plates installed on the exit gate to stop any vehicle entering the school car park in the wrong direction.

Please be aware the flow plates cannot be driven over from the wrong direction and will possibly cause damage to any vehicle attempting to do

so. Warning signs will also be in place.

This will keep our children and other pedestrians safe and avoid any unnecessary risk.

Please could we also remind parents and carers to respect our neighbours when dropping off your children or collecting them at the end of the day. We have received complaints that cars have been blocking driveways owned by local residents and also parking unsafely.

We have parking permits available for FREE in reception which allow one hour's free parking at the beginning of the day and one hours free parking at the end of the day in Westbourne car-park. Please pop into reception if you would like one.

Mothers' Day Celebration Morning

We would love all our Mums, and grandparents to join us on Friday 20th March for a celebration assembly.

This will be followed by some time in the children's class rooms so that you can look at all the wonderful work we have been doing, and a shopping experience which our Year 5 will be organising as part of their global enterprise project!

Stalls will be selling a selection of sweet treats, craft items and there is the opportunity to design a t-shirt to take away on the day!

Global Enterprise Challenge

Sports Relief

We will be celebrating and helping raise money for Sport Relief on Friday 13th March. We would love to see children in any sports clothing they might have. This could be a favourite football shirt, gymnastics kit, horse riding outfit or just jogging bottoms and a t-shirt. Please make sure children have suitable footwear for a day of sports fun. We are requesting a £1 donation for Sport Relief.

Scholastic Book Fair

Coronavirus

We continue to take advice from Public Health England and the Department of Education. Children are washing their hands frequently during the school day and we are well stocked with hand wash.

Attendance

Week 24/02/2020 – 28/02/2020

Each week the class with the highest attendance from KS1 gets to look after CJ Bear from Commando Joe or the trophy for those in Key Stage 2. The highest overall class will receive a class treat. We aim to achieve greater than 96% each week which is the national and county attendance target.
