

# Liskeard Hillfort Primary School

25<sup>th</sup> February 2021

Dear Families,

I am pleased to say that, as of today, I am now allowed to release to you all the results of our recent inspection.

As you are aware, there was only one possible judgement – and I'm pleased to say that the two inspectors from Her Majesty's Inspectorate identified that we "**are** taking action to provide effective education" at this time. You will see from the letter that many other positive aspects were identified too.

I believe that this letter reflects the hard work and dedication of our teaching colleagues, our local governing body, our trust, our parental community and, most importantly, our children.

We will look forward to a further inspection. We do not know precisely when, but it will be around December 2021/January 2022. In the meantime I look forward to announcing some exciting news in the next few weeks and months around:

- Our ongoing provision for emotional and mental health;
- An improved site – from significant capital works to improve the building, to work on the playing fields and the nature reserve;
- Improved and safer provision on the roads around the school;
- And most importantly, the return of all of our children on March 8<sup>th</sup>!

It is an exciting time to be part of the Hillfort community! I look forward to continuing our journey together!

Yours faithfully,

Dr Tim Cook
